

ORIGINAL 2016

This wine is made exclusively from the Tempranillo grape which is harvested from a 65 year old vineyard. The vineyard is located 800 metres from ground level, in the middle of the slope, on a calcareous clay soil with sandy streaks and with excellent exposure to the northeast.

TASTING

Original 2016 is a well-defined wine with a fresh flavour which is characteristic of the and fruity grape variety, Tempranillo, the undisputed protagonist of this wine. It has a cherry red colour, a powerful nose and the very ripe red fruits give a soft and slightly balsamic taste. This is a truly fine wine which is full of flavour with a good balance of acidity and silky tannins.

Elegance and discreet, with great weight of red fruit and an enchanting floral fragrance. Surprisingly youthful. Dense and rich, with compact tannins and extreme depth, with a finish of measured opulence.
