

VENDIMIA SELECCIONADA 2015

Selected from plots of old vines. The potential of our old vines never ceases to amaze us each year. The aging potential of the wines made from these special plots makes the selection process very straightforward for our Original. Only these vines are able to give us the silky smoothness we are seeking in this brand.

TASTING

Elegance and discreet, with great weight of red fruit and an enchanting floral fragrance. Surprisingly youthful. Dense and rich, with compact tannins and extreme depth, with a finish of measured opulence. Just the right amount of oak, harmonious power and softness. Hedonistic pleasure.
